POST A LEAVES FOR CONVENTION

Virginia Delegates Trying to Bring Annual Meeting to Richmond Next Year.

TRAVEL IN SPECIAL CAR

Representatives From All Parts of Country Gather in Philadelphia.

The Richmond delegation, together with a number of representatives from other parts of the State, will leave here to-day at noon to attend the twenty-second annual convention of the Travelers' Protective Association of America, which will open in Philadelphia to-morrow. The delegates leave here in a private car over the Richmond, Fredericksburg and Potomac Railroad. At Washington they will be joined by the rest of the Virginia delegation. In the convention city they will be quartered at the Bellevue-Stratford Hotel, headquarters of the convention.

Accompanying the delegation will be Business Manager William T. Dabney, of the Chamber of Commerce, who goes to hand the matter in charge. Richmond, for months past, has been actively at work for the convention. The entire State delegation is solidly for this city, as is also the president of the national body, along with many other prominent officers.

Peoria is Our Rival.
Although several other cities are in the running, Peoria, Ill., now seems to be Richmond's most formidable rival for the honor, and it is expected that the fight between these two cities will be interesting indeed. On the eve of his departure, President C. D. Coleman, of Post A, expressed himself as confident that Richmond will win.

While the convention is a large one, its importance lies principally in the advertisement that the city will receive from so large a gathering of men who travel into all parts of the United States. The association is composed of not only of traveling men, but of those engaged in all lines of business. So recognizing the fact that it would be the means of carrying the name of the city to all points of the country, no effort will be overlooked to make the convention here next summer.

SOUTH RICHMOND IS NOT SATISFIED

New Ward Seeks Plan to Elect a Member of General Assembly.

MAY IGNORE CITY PRIMARY

Legislature Would Then Be Expected to Seat Man Chosen by District.

In the event the Democratic party authorities agree, as now seems probable, that South Richmond must vote with this city for members of the Legislature, one more course is open to the people of Washington Ward. It would, at first blush, seem to carry with it disobedience to the officials of the party, but when the facts are considered it may appear, in a different light.

This expedient is simply to ignore the city primary on September 7, and to have the authorities of old Manchester, of Chesterfield and of Powhatan get together and agree upon a manner of naming a candidate for the Legislature according to the former plan, which has never been changed by the Legislature.

Difficulties in Way.
This course would, it will be seen, make it necessary to disregard not only the Richmond City Committee, but also the city's electoral board. Somebody must appoint the judges of election for service in November, and there is no electoral board for Manchester to attend to this duty. Further, there is no treasurer, and there is no clerk to get up and certify a list of voters who have paid their capitation taxes, although such a list would be available for Washington Ward because of the fact that a deputy city treasurer collects the taxes for that ward only, and keeps separate records.

This course is predicated on the fact that the Legislature is the judge of the qualifications of its members, and that if D. L. Toney "knocks at the doors of the General Assembly as an annexed municipality without contest, he might be seated."

Voters Transferred.
The general act providing for the annexation or consolidation of cities provides that the people of the annexed municipality shall become voters in the greater city. This presents another difficulty to those who are trying to avoid the reduced representation for the coming term as the result of the annexation of Manchester.

A committee has been named by the city of Washington Ward, Democratic Club to confer with city and State officials in regard to the situation. Attorney-General Williams has so far declined to render an official opinion, and says he does not see how the matter can be decided without a suit.

WHEAT HARVEST BEGINS.
Yield Better Than Expected—Compton Farm Sold.

[Special to The Times-Dispatch.]
Fredericksburg, Va., June 10.—Wheat harvest commenced in this section yesterday and the yield while not up to the average, will be better than was expected, as a long drought prevailed until recently.

In the Corporation Court here, Judge John T. Goodrich granted a divorce to Mrs. Elizabeth Bowles from her husband, Samuel F. Bowles, he to pay \$500 alimony and the costs of the suit.

A party composed of Misses Lina Harrison, Ellen Wallace, Page Waller and Mr. and Mrs. A. F. Dickson, Rev. Roy Mason, Dr. Mason Smith, W. K. Cornick and Harrison Mason, left here to-day for Colonial Beach, where they will be members of a house party for a week.

Henry Roberts, a retired millionaire of Pittsburg, Pa., has purchased the Compton farm, in Prince William county, containing 700 acres, from O. T. Martin, for \$55,000.

W. G. O'Donnell, Sr., of this city, and Miss Susan C. Lancaster, of Orange county, were married to-day at the home of the bride in that county.

PROTESTS ARE HEADED

Negro Will Not Get Appointment Intended for Him.

Washington, D. C., June 10.—Protests of Oklahomans by telegraph and through Representatives McGuire and Morgan, against the appointment of former Register of the Treasury William T. Vernon, a negro, as assistant superintendent of the schools of the five civilized tribes, have resulted in a change in the plans. Vernon will be appointed assistant superintendent of schools in which negroes and Indians are pupils. He will not be permanently assigned to any one State, but will cover all States in which such schools are located.

ROYAL ARCANUM WILL HONOR TWO

McCarthy Council to Entertain Supreme Regent and Grand Regent on Thursday.

McCarthy Council, Royal Arcanum, will give a special entertainment at Lee Camp Hall on Thursday night in honor of Rev. Frank T. McFadden, D. D., supreme regent of that order, and Minnie Folkes, grand regent of Virginia, both of whom are members of the same council. It has never happened before that a supreme regent and a grand regent were members of any one council, and because of this fact there is a desire to pay fitting tribute to the officers.

Dr. McFadden will serve as supreme regent for the next two years, his headquarters being in Richmond. At the recent session in Minneapolis, it was decided to hold the next convention in Richmond, and representatives from all parts of the country will attend.

Addresses will be delivered Thursday night by Grand Secretary J. B. Blanks, of Petersburg; Supreme Regent McFadden; Grand Regent Folkes; Howard C. Avery, of Norfolk; William T. Dabney, of Richmond, and others. Dr. A. G. Brown, Jr., chairman of the entertainment committee, and his associates have prepared an attractive program, and it is expected that there will be a large attendance. McCarthy Council having the distinction of being the largest in the State.

Much of the work of the Minneapolis convention will be discussed, but the object of the meeting is to pay honor to the highest officers in the national body and the highest officer in the Virginia organization.

As supreme regent of the Royal Arcanum, Dr. McFadden becomes the head of the order, numbering 2,440 members in the United States and Canada, 6,700 of whom are residents of Virginia.

ANNUAL OUTING FOR THE ORPHANS

Richmond Automobile Club Will Give 400 Children Trip on Thursday.

The Richmond Automobile Club will give its annual outing for orphan children on Thursday afternoon. One hundred motor cars will leave the capital grounds at 3 o'clock, making the run out Broad to Adams, then to Franklin and to the country club of the association at the Gregory place.

There are about 400 orphans in the various institutions here, and all of these will be given a free ride and plenty of refreshments after reaching the suburban quarters. A committee, of which Mrs. R. A. Nichols is chairman, has been in charge of the outing since the little folk, and everything possible will be done to round out their enjoyment.

Notice has already been sent to the orphan homes to have the children at the capital at 3 o'clock, so that the start may be made promptly. In former years the Richmond Automobile Club has endeavored to provide entertainment for every child, and all who were physically able to make the trip were ready for a whole into the country.

It will require at least 100 automobiles to provide seats for the orphans, and owners and members have agreed to give up the afternoon to the little people, to whom this event means so much.

Building Permits.
The following permits to build and repair were issued by Building Inspector P. G. Caldwell, to erect:

Virginia Railway and Power Company, to erect frame shed (for roller coaster) at Idlewood, \$400; Warner Moore, to erect detached, two-story frame dwelling on the east side of Oakwood Avenue, between Balfour and Cowardin Streets, \$2,000; Douglass Land Company, to repair warehouse on the south side of Canal, between Tenth and Eleventh Streets, \$2,000.

Stocker Drug Company, to repair brick store, 1415 East Main Street, \$900.

LEAVES BIG ESTATE

"The Great Lafayette" Made \$600,000 [Special Cable to The Times-Dispatch.]

London, June 10.—William Grosman, lawyer and executor of "The Great Lafayette," died on the Lusitania to-day. He said:

"Lafayette's estate is \$600,000, all made in vaudeville operations. The fortune is in stocks and bonds. He told me his affairs would be in simple order and with no complications. Although ridiculous claims against the estate have been filed, none is supportable."

Simon Neuburger, brother of Lafayette, is sole legatee. He is living in great luxury at the Savoy Hotel.

NEGRO PRISONER FIGHTS REMOVAL

Requisition Issued for Man Wanted in Missouri on Murder Charge.

Before Missouri officers sent to this State for Charles Hayes, wanted within their jurisdiction for murder, succeeded in securing their prisoner, they will probably have some litigation in the courts of Virginia. Governor Mann yesterday granted the requisition, which was at last in correct shape after some delay, and the officers will leave this morning for Marion, in Smyth county, where Hayes, who is a negro, is in jail.

The accused man has retained B. F. Buchanan, of Marion, as his attorney, and the latter has already protested against the granting of the requisition. It is presumed the next move will be for a writ of habeas corpus for the release of Hayes.

The man is charged with the murder of a woman in searching for him, the Missouri officers could have a brother at Chilhowie, in Smyth county, and on making inquiries there, learned that the man wanted was in that locality. He was placed under arrest.

Judge Frank H. Hutton has already ruled on one phase of the matter, but the man is in custody.

Deputy Sheriff Crockett and a companion known as "Judge" Gill appeared at the Governor's office yesterday for the requisition. Crockett, who claims to be a descendant of the Earl of Cromwell, weighed 315 pounds, while Gill could hardly tip the scale at more than 100 pounds. The contrast between the two men was striking, and Secretary Ben Owen was visibly moved by emotion.

SERGEANTS TRANSFERRED

Non-Commissioned Instructors Moved to Other Regiments.

Orders were issued yesterday by Adjutant-General W. W. Sale transferring the two regular army sergeants, who are on duty with the Virginia Volunteers for instruction purposes. Sergeant Mike Powers, now on duty with Company E, First Infantry, at Lynchburg, has been ordered to report by the adjutant to the Second Regiment, of the First Regiment, under direction of Colonel W. J. Perry.

The work done by these non-commissioned officers, who are graduates of the army school at Leavenworth, Kansas, is regarded as very satisfactory. Their duty is to instruct the enlisted men of the service, and they are required to be present at drills and all sorts of service. The plan was put into operation on considerably more than a year ago.

CHILDREN PARDONED

The Governor yesterday issued a conditional pardon to Cleveland Childers, a white boy of Fulton, who was given ninety days in the State prison for Crutchfield on a charge of theft by larceny. He has served the greater part of his term, and clemency is given at the request of the justice.

MAY MARCH THROUGH STATE

Permission was yesterday granted by Adjutant-General Sale to the Auto Signal Corps of the Northwestern Military Academy, at Highland Park, Ill., to pass through this State armed and equipped. The corps is to march on practice ride and instruction tour, will pass through Virginia between June 25 and 26.

ATTEND FIRE MARSHALS' MEETING

Deputy Insurance Commissioner J. N. Brennan will leave to-morrow for Chicago to attend the annual meeting of the Fire Marshals' Association of the United States and Canada. This body considers causes and costs of conflagrations, prevention of fire, incendiary blazes, fire-fighting and kindred topics. Most States have fire marshals, and while Virginia has not, the Insurance Commissioner is the fire marshal ex officio. Mr. Brennan will be absent all the week.

CRENSHAW IN RACE

Comes Out As Candidate for the House of Delegates.

William A. Crenshaw came into the race yesterday as a candidate for the House of Delegates from the city of Richmond. Up to the time that he entered the contest there were five candidates for the five places in the city. If the arrangement as herebefore is to stand without regard to the Manchester situation. The city candidates are Colonel John S. Harwood, E. P. Cox, Captain John A. Curtis, James J. Crenshaw and Hill Morton.

It is probable that there will get into the fight, but thus far no additional names have been mentioned.

Mr. Crenshaw is a well known business man and a former member of the City Council, and at present a member of the James River Improvement Committee as a representative from the City of Richmond.

Mr. Crenshaw said yesterday that he had the matter under consideration for some time, and that he had decided to run at the urgent solicitation of friends.

Church Service in Spanish.
At the Episcopal Church this evening at 8:15, there will be an unusual service. Don Pablo Bason, D. D., a distinguished scholar of Buenos Ayres, who speaks six languages, but who does not speak English, will tell in Spanish the thrilling story of his life, and it will be interpreted as he speaks by Mr. Sewall, formerly of Virginia, but now of Argentina. The public is invited.

RICHMOND GETS ANOTHER BIG ONE

United Commercial Travelers to Hold Convention Here in 1912.

Telegrams received yesterday from delegates to the convention just closed at Huntington, W. Va., announce that the next grand council, United Commercial Travelers, will meet here in 1912, that C. L. Read, a member of the local council, was unanimously elected grand conductor.

The jurisdiction of the grand council comprises the States of Virginia, West Virginia, Kentucky, Maryland and the District of Columbia. It is estimated that the convention will bring to the city between 1,500 and 2,000 delegates and visitors. The Virginia membership alone is in excess of 5,000.

Ten years ago the grand council met here, the invitation of the local council, which at that time numbered only seventeen men. Now the membership is 259. The delegates to Huntington will report at the next meeting of the Richmond council, when committees will be appointed to arrange for the gathering which doubtless will be the largest ever held in this jurisdiction.

HIGH SCHOOL CLOSING

Exercises Begin To-Morrow Night With Class Entertainment.

Commencement exercises of the John High School begin with the closing night on Monday. The exercises will be held in the High School auditorium. The class of 1911 has arranged a very interesting program, including the class history, prophecy and will. All friends of the school, especially the alumni, are invited to be present at these exercises which will begin at 8:15 o'clock.

Tuesday night is alumni night, and after the annual meeting of the Alumni Association, a reception and dance will be tendered the class of 1911. Only active members of the Alumni Association are privileged to attend this function, though the meeting of the association is open to the public.

The commencement exercises proper will be held on Wednesday night. As usual admission will be by ticket.

PROPERTY SOLD TO LEVY AND KAUFMAN

Business Men Pay \$200,000 for Buildings at Eleventh and Main.

The fact became known yesterday that the old home of the National Bank of Virginia and adjoining property at the northwest corner of Main and Eleventh Streets had been sold by Pollard & Bagby to Raphael Levy and I. H. Kaufman. Notice of the sale was printed in The Times-Dispatch yesterday morning, although the name of the purchaser was not made public at the time.

Occupying 60 by 50 feet in the heart of the business and banking section, and right next to the new post-office, the property is regarded by real estate men as among the most valuable in Richmond. Mr. Levy and Mr. Kaufman paid \$200,000 for it.

Mr. Levy said yesterday that no decision had been reached as to what disposition would be made of the site, but there is a general belief in real estate and business circles that a skyscraper will be erected there, being a big demand for still more office quarters in Richmond. The new building would have an abundance of light. There is an alley between the west wall and the post-office, plenty of light in the Main Street and the Eleventh Street sides, with low construction on the north which does not obstruct the Capitol Square view.

For years the National Bank of Virginia occupied the corner, remaining there until it consolidated with the Bank of Richmond, when it moved to Ninth and Main. The building between the bank and the post-office is still occupied, and no notice has been issued to tenants to move out.

MEDALS FOR MUSIC PUPILS

The closing recital given by Miss Lillian Massie at her studio on Thursday evening, was well attended by the parents and friends of the pupils. The program, ranging from a serenade by Lillie to Liszt's Rhapsody, No. 2, was well rendered by the pupils, and delighted the audience. Medals for proficiency were presented to the Misses Partsky, Spahn, Oensty, Gilillo and Granor.
